

Renfrew Minor Baseball

Date: March 1, 2023

Dear Sir/Madam:

Re: Request for a Vulnerable Sector Criminal Records Check

Renfrew Minor Baseball requires a Vulnerable Sector Criminal records check for all our volunteers.

We understand that this letter and the completed Form 220 are to be brought in to the nearest OPP station by the Volunteers themselves. Two pieces of valid, government issued identification are to be presented; one must include a photo, name, date of birth and signature. (A Health card and SIN card are NOT acceptable).

Once the check is completed the volunteers must pick up the form in person.

We further understand that there is no charge for our Volunteers who do not receive payment for their work, to perform this record check.

This letter certifies _____ is a volunteer with Renfrew Minor Baseball. He/She will be volunteering in the role of coach, manager and/or umpire and will be directly involved with children aged 4-16.

Thank you.
